NEW MEMBER APPLICATION

Before submitting this **initial** application for membership, please review with your faculty and/or other governing body the **Core Principles of Public Waldorf Education**. Also, while membership provides the possibility of obtaining legal use of the term "Public Waldorf," it also requires adherence to the terms of use agreed with the Association of Waldorf Schools of North America (AWSNA), the legal owner of both "Waldorf" and "Public Waldorf." The Core Principles and guidance on the service mark are available at www.allianceforpublicwaldorfeducation.org.

Upon receipt of your application, you will be contacted to discuss your understanding of the **Core Principles** and to review the steps of **Path of Membership**. After that conversation, a decision on membership will be made. You will be billed for dues after acceptance.

Contact **Charles Burkam at 928-245-9719** if you have questions at any point.
